ANTHOLOGY

‘A COLLECTION OF ARTISTIC WORKS THAT HAVE A SIMILAR FORM OR SUBJECT, OFTEN THOSE CONSIDERED TO BE THE BEST’

Anthology offers fresh, creative finishes and subtle textures that will bring style and definition to both contemporary contract and domestic interiors. Its innovative and eclectic fabrics and wallcoverings have a distinctly international flavour and a global colour palette.

ANTHOLOGY FABRICS

Anthology's debut fabric collections, including Textures 01, Transluents 01, Vivid, Veda, Ketu and Lucio, capture the creativity of pioneering fabric technology. The range represents a sophisticated combination of matte and shine, three-dimensional structures and innovative weaving techniques.

All fabrics are wide-width, with the exception of Veda, and meet the stringent flammability requirements of the contract market both in the UK and internationally. Stylish, practical and durable.

ANTHOLOGY 04

The Anthology studio has produced 04 wallcoverings to coincide with the launch of Anthology fabrics. Inspired by the concept of construction and deconstruction of woven fabrics, the 04 collection examines in microscopic detail elements of paper, threads and pleats, resulting in avant-garde, mesmeric finishes, in a spectrum of evocative shades.
