ABSTRACT

BOLD

Distinctive, confident and uncompromisingly stylish, Scion is a British brand with enduring appeal and intrinsic individuality.

Scion presents Lohko, a retro-contemporary range of printed fabrics, voiles and wallpapers with an assertive, architectural feel. This graphic collection, features asymmetric motifs, bold slabs of colour and repeating, cut-out geometrics that defy the laws of gravity and proudly break the rules of design.

Justifiably proud of its British roots, Scion's printed fabrics and wallcoverings are all manufactured in the UK.
